Counselor: _____

Student ID: _____

Grade Level: _____

Student Phone #: _____

Directions: Students need to select 8 courses below. English, Science, Math and Social Studies are required, however, the rest of the schedule consists of electives. Please select your electives to fulfill the remaining courses to complete the schedule (You do not have to prioritize this part). You also need to pick 3 alternates. These alternates need to be chosen by order of preference. A1 will be first priority, A2 will be second priority and then A3 will be the last choice. Any class marked with a * is an honors course. There is a significant amount of homework and an increased workload in honors and AP classes. Please consider this before making your final decision.
